Introducing DomSafe™

Premium Cleaning Solutions in Sachet Form

Key Benefits

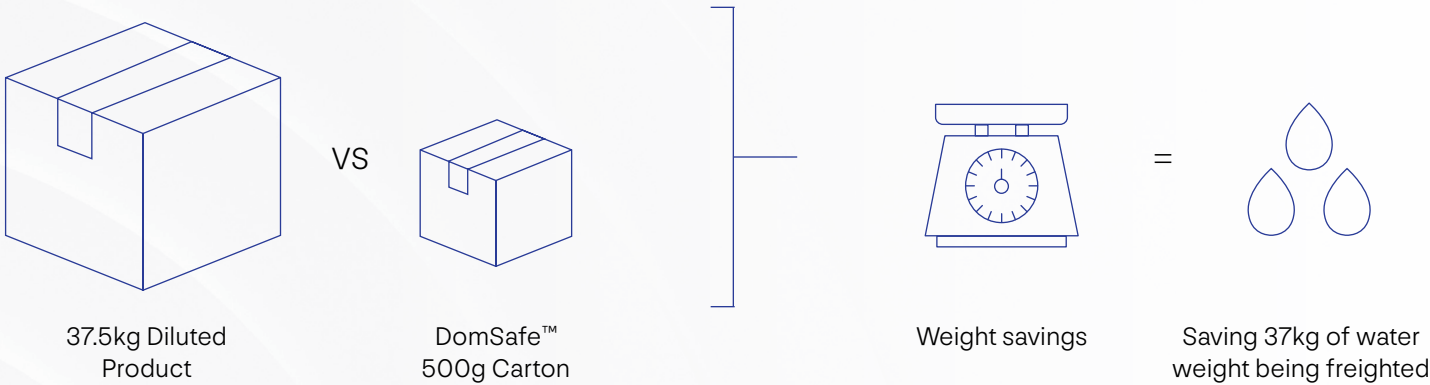

- Cost Efficiency**
Sachets reduce transportation costs by eliminating the need to ship heavy liquids with high water content.
- Convenience**
RIP, TIP, GO – No need for expensive dosing equipment.
- Premium Quality**
Formulated for those who demand high-performance cleaning solutions, ensuring superior results.
- Environmental Impact**
Minimise waste and reduce carbon footprint with concentrated formulas and lightweight shipments. Each product is packaged in a sachet to be mixed with water in a recyclable bottle, ensuring low environmental impact while upholding quality.
- Precision in Every Dose**
Pre-portioned sachets eliminate dosage guesswork, enhancing efficiency in fast-paced environments.

DomSafe™ is ideal for premium consumers and environmentally conscious companies, focused on sustainability.

Premium Cleaning Solutions in Sachet Form

The DomSafe™ range is designed with a focus on both cost efficiency and environmental sustainability. Our mission is to help you reduce your carbon footprint while significantly lowering freight costs.
